10-Register

The screenshot shows a web browser window with the URL `localhost:8080/realm/wallet-realm/login-actions/registration?client_id=wallet-client&tab_id=hNyhiljp4E`. The page has a dark background with a geometric pattern. In the center, there is a white registration form titled "WALLET-REALM" and "Register". The form contains the following fields: "First name", "Last name", "Email", "Username", "Password", and "Confirm password". Below the fields are two buttons: "Back to Login" and "Register".

11-Try to connect with a simple user but I don't have access to products

The screenshot shows a web browser window with the URL `localhost:4200/#state=8ff25809-0491-4f56-b04b-415303294925&session_state=9e5ea282-bcee-4db7-b0f5-95d3140820b3&code=788f453c-9762-4b2d-80b6-0e8e365a...`. The page displays a product page titled "Page consultation de produit et de client". Below the title, there is a paragraph of text: "Something short and leading about the collection below—its contents, creator, etc. Make it short and sweet, but not too short so folks don't skip over it entirely." Below the text are two buttons: "Main call to action" and "Secondary action".

Below the product page, there are two cards. The first card is a wider card with supporting text below as a natural lead-in to additional content. This content is a little bit longer. The second card is a narrower card with supporting text below as a natural lead-in to additional content. This content is a little bit longer.

On the right side of the screenshot, the DevTools console is open, showing a message: "DevTools failed to load source map: Could not load content for chrome-extension://plstokkifeplocmekkbigldow/brower:polyfill.js.map: System error: net::ERR_FILE_NOT_FOUND".
